Informed Consent and Release of Liability to Treat a Minor Client (Pages 1 of 2)

Counseling services offered by Kalon Christian Counseling is for the express purpose of providing emotional, psychological, relational and spiritual support with a distinctively Christian framework to the local church and to the community as a whole. I, Dusty Hart, am a Licensed Professional Counselor and practice as such under GA State Law (GA Code Title 43-10A-11). My training is a combination of Christian Soul Care, Theology, and Psychology. Both my graduate training and counseling approach reflect a unified, biblical perspective on the mental, emotional, spiritual, physical and relational parts of our personhood.

The completion of an **Intake Questionnaire** and an **Informed Consent and Release of Liability** form are required for counseling services to commence. Selected personality and/or vocational assessments may also be administered with your additional consent. While I expect benefits for my child from treatment, I fully understand that such benefits and particular outcomes cannot be guaranteed. I understand that because of the treatment, my child may experience emotional strain, feel worse during treatment, and make life changes which could be distressing. I also understand regular attendance will produce the maximum benefits but that I am free to discontinue treatment for my child at any time. If I decide to do so I will notify the provider at least two weeks in advance so that effective discharge planning for my child can be implemented.

1. I _____ understand that Dusty Hart, my counselor, is a Licensed Professional Counselor (LPC) in the State of Georgia.

2. I understand that contents of all my child's therapy sessions are considered confidential. Both verbal information and written information about a client cannot be shared with another party without the written consent of the client or the client's legal guardian. Noted exceptions are as follows:

    • When a client discloses intentions or a plan to harm self or another person, the mental health professional is required to notify legal authorities and those people who may be impacted.

    • If a client states or suggests that he or she is abusing a child (or vulnerable adult) or has recently abused a child (or vulnerable adult), or a child (or vulnerable adult) is in danger of abuse, the mental health professional is required to report this information to the appropriate social service and/or legal authorities.

• When a mental health professional is made aware of prenatal exposure to controlled substances that are potentially harmful, a report must be made to the appropriate authorities.

• Parents or legal guardians of non-emancipated minor clients have the right to access the client's records.

• Insurance companies (when applicable) and other third-party payers are given information that they request regarding services to clients, such as types of service, dates/times of service, diagnosis, treatment plan, progress of therapy, case notes, and summaries.

3. I waive any right I may otherwise have to seek to use my counseling records with Kalon Christian Counseling, except as may otherwise be agreed upon in writing, in any judicial proceeding or to compel the testimony of any Counselor or supervisor associated herewith. If testimony is required, I agree to pay twice the normal hourly rate for any, and all, of these individuals for their testimony, and preparation therefore.

In consideration of the benefits to be derived from counseling, the receipt whereof is hereby acknowledged, I hereby release, remise and forever discharge and covenant not to sue or hold legally liable First Presbyterian Church of Thomasville, its officers, leadership and employees or the ministry of Kalon Christian Counseling, the Counselors, and supervisors, if applicable, from any and all claims, demands, actions or causes of actions of whatsoever kind and nature related to the counseling process.

I understand that once my child reaches the age of majority my consent for treatment is no longer required.

I have read and understood the preceding information and agree to the policies of Kalon Christian Counseling as stated herein. I understand that these comments are prerequisite to my receiving and continuing counseling through Kalon Christian Counseling.
